Pursuant to 37C.F.R. §1.56(e), the subject application corresponds to U.S. Patent No. 6,353,077, which corresponds to PCT/GB96/02258 in which the International Search was conducted by the European Patent Office, and copies of prior art documents were previously sent to the U.S. Examiner in the U.S. case, thereby deeming it unnecessary to submit an Information Disclosure Statement including copies of those documents.

If there are any fees due in connection with this matter, please charge Applicant's Deposit Account No. 01-0265. A duplicate of this paper is being submitted for this purpose.

Respectfully submitted,
